We are again making the facilities of the Depot and the Officers' Open Mess available for the convenience and pleasure of active, retired, and reserve commissioned personnel and their guests visiting Philadelphia for the Army-Navy game on 1 December.

The following activities have been arranged - Open House on Friday evening from 1730 to 2400 hours, at the Officers' Open Mess; breakfast at the Mess from 0900 to 1200 hours on Saturday; parking facilities within the Depot, with free bus service to and from the stadium; an Open House at the Mess following the game, with buffet supper and dancing, at \$2.50 per person; bar service for above periods.

This letter is the only announcement we will send to your installation. You may wish to publicize the information it contains. If so, we would appreciate hearing from you by 20 November the approximate number of persons who plan to use each of the above four services.

For your information, the Depot is located about a mile from the stadium on 20th Street between Oregon Avenue and Pennsylvania Highway No. 291 (connecting South Broad Street to U.S. 13 at Chester).
